BACKGROUND:

On June 2, 2014, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China covering the period June 1, 2013, through May 31, 2014.<sup>1</sup> The Department received a number of timely requests for an antidumping duty administrative review, including one from GGB Bearing Technology (Suzhou) Co., Ltd. (GGB). On July 31, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department published in the Federal Register a notice of initiation of

administrative review.<sup>2</sup> On October 29, 2014, GGB withdrew its request for an administrative review.

#### Rescission of Review, In Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. GGB's withdrawal of its request was submitted within the 90-day period and, thus, is timely. Because GGB's withdrawal of its request for an antidumping duty administrative review is timely and because no other party requested a review of GGB, we are rescinding this administrative review, in part, with respect to this company, in accordance with 19 CFR 351.213(d)(1).

#### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For GGB, the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

#### Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this

requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: February 12, 2015.
